Level:	I-V	Position Type:	Full Time	Email:	careers@reyengineers.com
Location:	Folsom, CA	Date posted:	2021	Mail:	Attn: Human Resources R.E.Y. Engineers, Inc. 905 Sutter Street, Suite 200 Folsom, CA, 95630

FIRM DESCRIPTION

Founded in 1985, R.E.Y. has been delivering projects to enhance the quality of life for over 35 years. Headquartered in historic Folsom, with additional offices in Pleasanton and Oakland, CA, R.E.Y. has extensive private-sector and municipal experience. We have delivered a wide variety of community-oriented projects throughout California and as far away as Alaska and Australia. What sets us apart? It's our company culture, our commitment to quality, and our employees. We are dedicated to retaining and developing individuals of the highest quality. We promote an open and fun environment to work in, while maintaining our high quality standards.

JOB DESCRIPTION

Under direction of a Principal or Senior Land Surveyor, this position will assist with the execution of work for our clients involved in the performance of land surveying services for public and utility infrastructure improvement projects. This position requires mid-level experience and requires effective oral and written communication skills, presentation skills and the ability to complete projects independently and or in small teams.

QUALIFICATIONS AND EDUCATION REQUIREMENTS

- Valid Driver's License
- Professional Land Surveyor License
- Relevant experience with utilities, pipelines, electrical transmission and distribution surveys preferred.

PREFERRED SKILLS

- Civil 3D and MicroStation CADD software, and TBC proficiency
- Fundamental plane surveying principles, methods, equipment, materials and safety procedures
- Plane surveying computations, including computer applications and usage, familiar with and state plane coordinate systems
- Knowledgeable in construction plans pertaining to construction staking for surveys
- Proficient in Microsoft Office software, including Excel and Word
- Ability to perform boundary and easement determination and research
- Ability to develop legal descriptions and exhibits
- Ability to assist with preparing concise, accurate technical survey reports and presentations
- Create neat and accurate computations and notes
- Provide responsive high-quality courteous service to clients, coworkers, representatives of outside agencies, consultants, contractors, and members of the public
- Provide accurate, complete, and up-to-date information in a timely manner

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability or status as a protected veteran.
