FIRM DESCRIPTION

Founded in 1985, R.E.Y. has been delivering projects to enhance the quality of life for over 30 years. Headquartered in historic Folsom, with additional offices in Pleasanton, Oakland and Palo Alto, CA, R.E.Y. has extensive private-sector and municipal experience. We have delivered a wide variety of community-oriented projects throughout California and as far away as Alaska and Australia. What sets us apart? It's our company culture, our commitment to quality, and our employees. We are dedicated to retaining and developing individuals of the highest quality. We promote an open and fun environment to work in, while maintaining our high standards for quality.

JOB DESCRIPTION

Under direction of a Principal or Senior Land Surveyor, this position will assist with the execution of work for our clients involved in the performance of precise land surveying services for both public projects land development projects. Will perform duties such as research, boundary resolution, post-processing GPS static surveys, site calibrations for RTK surveys, least squares adjustment of conventional field data, preparation of deeds and exhibits for right of way acquisitions, appraisal mapping, topographic mapping and records of survey. This position is mid-level and requires effective oral and written communication skills, presentation skills and the ability to manage and complete projects independently, as well as in collaboration with other team members.

QUALIFICATIONS AND EDUCATION REQUIREMENTS

- Valid Driver's License
- Professional Land Surveyor License

PREFERRED SKILLS

- AutoCAD Civil 3D or MicroStation CADD software proficiency
- Trimble Business Center or StarNet proficiency
- Familiar with map projections, datums and state plane coordinate systems
- Knowledgeable in construction plans pertaining to construction staking for surveys
- Proficient in Microsoft Office software, including Excel and Word
- Ability to assist with preparing concise, accurate technical survey reports and presentations
- Create neat and accurate computations and notes
- Provide responsive high-quality courteous service to clients, coworkers, representatives of outside agencies, consultants, contractors, and members of the public

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
