### FIRM DESCRIPTION

Founded in 1985, R.E.Y. has been delivering projects to enhance the quality of life for over 35 years. Headquartered in historic Folsom, with additional offices in Pleasanton, Oakland, and Palo Alto, CA, R.E.Y. has extensive private-sector and municipal experience. We have delivered a wide variety of community-oriented projects throughout California and as far away as Alaska and Australia. What sets us apart? It's our company culture, our commitment to quality, and our employees. We are dedicated to retaining and developing individuals of the highest quality. We promote an open and fun environment to work in, while maintaining our high quality standards.

### JOB DESCRIPTION

Under direction of a Principal or Senior Land Surveyor, this position will assist with the execution of work for our clients involved in the performance of land surveying services for land development, public and utility infrastructure improvement projects. This position requires mid-level experience and requires effective oral and written communication skills, presentation skills and the ability to complete projects independently and or in small teams.

### QUALIFICATIONS AND EDUCATION REQUIREMENTS

- Valid Driver's License
- Professional Land Surveyor License
- Relevant experience with land development surveys, utility transmission and distribution surveys, transportation and other public project surveys preferred.

### PREFERRED SKILLS

- Civil 3D and/or MicroStation CADD software proficiency
- TBC proficiency for network adjustment of GPS and conventional survey field data
- Familiarity with COGO applications and state plane coordinate systems
- Familiarity with digital terrain modeling
- Knowledgeable in construction plans pertaining to construction staking for surveys
- Proficient in Microsoft Office software, including Excel and Word
- Ability to perform boundary and easement determination and research
- Ability to develop legal descriptions and exhibits
- Ability to assist with preparing concise, accurate technical survey reports and presentations
- Create neat and accurate computations and notes
- Provide responsive high-quality courteous service to clients, coworkers, representatives of outside agencies, consultants, contractors, and members of the public
- Provide accurate, complete, and up-to-date information in a timely manner

*All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability or status as a protected veteran.*
